**Strongest industrial floor tapes and location marking shapes on the market.  
Resistant to forklifts, foot traffic, vehicles, chemicals and more.**

SafetyTac® Industrial Floor Marking Tapes hold up under the tough conditions of industrial workplaces. They can be applied quickly with little downtime. They're versatile and serve many functions including providing traffic control, hazard alerts, and boundaries for workspaces and storage areas.

Tripping hazards aren't a problem. SafetyTac®'s low profile and reinforced rubber-based adhesive allows it to adhere smoothly to your floors, so it won't snag on your vehicles or pallets when they pass across the markings.

# SAFETYTAC®

## SafetyTac® 2.0

Virtually indestructible floor marking tape featuring ARMOR Technology™.

- DURABILITY ●●●●●●
- ADHESIVE ●●●●●●
- RIGIDITY ●●●●●●
- THICKNESS ●●●●○○

### ✓ UNBEATABLE PERFORMANCE

SafetyTac® 2.0 sets the new standard for floor tape durability. Other floor tapes just can't compare.

### ✓ ARMOR TECHNOLOGY™

Specially engineered dense, flexible material that's impact resistant and virtually indestructible.

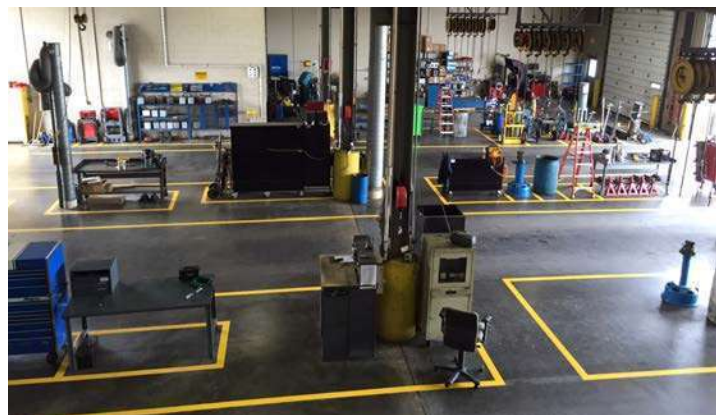

### ✓ ULTRA-SMOOTH TAPERED EDGES

This tape has a low profile with ultra-smooth tapered edges for snag-free transitions for carts and pallets.

		2" x 50'	3" x 50'	4" x 50'
Yellow		SA201	SA301	SA401
White		SA202	SA302	SA402
Black		SA203	SA303	SA403
Red		SA204	SA304	SA404
Green		SA205	SA305	SA405
Orange		SA206	SA306	SA406
Blue		SA207	SA307	SA407

SafetyTac® 2.0 is designed with ARMOR Technology™ to withstand the toughest industrial conditions. The denser material used in SafetyTac® 2.0 allows it to hold up to intense traffic, and the tape has advanced pivot resistance so forklifts and other vehicles can turn directly on the tape without causing damage. Ultra-smooth tapered edges allow carts and other small-wheeled equipment to pass over the lines without snagging. Like standard SafetyTac® tape, SafetyTac® 2.0 is also resistant to wet conditions and chemical spills.

Material	ARMOR Technology™ PVC composite
Thickness	70 mil (0.070")
Edge	Ultra-smooth tapered
Adhesive	Reinforced rubber/cloth
Resistance	Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	2 year limited

SafetyTac® 2.0 will hold up under the toughest conditions, including dirty, oily and wet work environments like auto shops.

## SafetyTac®

This durable floor marking tape can handle your facility's high traffic levels and tough conditions.

- DURABILITY ●●●●○
- ADHESIVE ●●●●●
- RIGIDITY ●●●●○
- THICKNESS ●●●○○

### ✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

### ✓ DUAL-STAGE TAPERED EDGES

Tapered edges allow carts and pallets to easily slide over this tape without catching the tape's edge.

SafetyTac® floor marking tape is designed to withstand the tough conditions of an industrial workplace. SafetyTac®'s resilient material holds up to traffic and spills, and its reinforced rubber-based adhesive keeps it in place, so it will get the job done for a long time. SafetyTac®'s dual-stage tapered edges prevent the tape from getting caught on wheels or pallets. That means vehicles can easily slide over the tape without causing damage. SafetyTac® also has a low profile, so it won't make walking surfaces uneven. No need to worry about pedestrians tripping.

Material	PVC composite
Thickness	35 mil (0.035")
Edge	Dual-stage tapered
Adhesive	Reinforced rubber/cloth
Resistance	Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	1 year limited

Clear		ST211	ST311	ST411	ST611

Use SafetyTac® to create perfect aisles, pathways and boundaries that last for years in tough conditions.

# SAFETYTAC®

## SafetyTac® Lean

This floor marking tape has the lowest profile of our tapes, so you'll have smooth walking surfaces.

- DURABILITY ●●●●○○
- ADHESIVE ●●●●○○
- RIGIDITY ●●○○○○
- THICKNESS ●●○○○○

### ✓ ULTRA-LOW PROFILE

An ultra-low profile allows you to create smooth floor markings. It's so thin, you'll barely notice it's there.

### ✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

SafetyTac® Lean floor marking tape is made with the same durable material as standard SafetyTac®, but it has an ultra-low profile that's 40% thinner than most other industrial floor marking tapes. This means vehicles will have no problem moving over it and walking surfaces will be even. SafetyTac® Lean features the same dual-stage tapered edges as standard SafetyTac®, so wheels and pallets won't get caught on it. It's also resistant to water and chemicals. This tape is perfect for facilities with moderate foot and vehicle traffic.

		2" x 100'	3" x 100'	4" x 100'
Yellow		SL201	SL301	SL401
White		SL202	SL302	SL402
Black		SL203	SL303	SL403
Red		SL204	SL304	SL404
Green		SL205	SL305	SL405
Orange		SL206	SL306	SL406
Blue		SL207	SL307	SL407

Material	PVC composite
Thickness	17 mil (0.017")
Edge	Dual-stage tapered
Adhesive	Reinforced clear acrylic
Resistance	Moderate industrial and vehicle traffic, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	1 year limited

SafetyTac® Lean is so thin, it's not even as thick as a credit card.

# SAFETYTAC®

## SafetyTac® Hazard

This striped tape draws attention to dangerous areas and holds up to tough industrial conditions.

- DURABILITY ●●●●○
- ADHESIVE ●●●●●
- RIGIDITY ●●●○○
- THICKNESS ●●●○○

### ✓ HAZARD-STRIPED PATTERN

Hazard-striped pattern provides a noticeable visual cue to identify areas that require extra caution or attention.

### ✓ INDUSTRIAL STRENGTH

Holds up to forklifts, pallet jacks, floor scrubbers, and trucks. Resists water and most chemicals.

SafetyTac® Hazard floor marking tape is designed to draw attention to dangerous areas in the workplace, while also holding up to the tough conditions of an industrial facility. The two-tone stripe pattern comes in 4 color options so you can highlight different types of hazards. SafetyTac® Hazard's durable material can withstand traffic and spills, and its reinforced rubber-based adhesive keeps it in place, so you can count on it getting the job done for a long time. SafetyTac® Hazard's dual-stage tapered edges allow wheels and pallets to slide over it without snagging, meaning the tape won't get damaged either.

	2" x 100'	3" x 100'	4" x 100'	6" x 100'
Black/Yellow 	STH270	STH370	STH470	STH670

Black/White 	STH272	STH372	STH472	STH672
Green/White 	STH273	STH373	STH473	STH673

Material	Hazard-striped PVC composite
Thickness	35 mil (0.035")
Edge	Dual-stage tapered
Adhesive	Reinforced rubber/cloth
Resistance	Industrial equipment, cars and trucks, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	1 year limited

Use SafetyTac® Hazard to draw attention to dangerous areas that could harm or kill employees.

## SafetyTac® Lean Hazard

This tape combines a low profile with hazard striping to call attention to danger anywhere in your facility.

- DURABILITY ●●●●○
- ADHESIVE ●●●●○
- RIGIDITY ●○○○○
- THICKNESS ●○○○○

### ✓ HAZARD-STRIPED PATTERN

Hazard-striped pattern provides a noticeable visual cue to identify areas that require extra caution or attention.

### ✓ ULTRA-LOW PROFILE

An ultra-low profile allows you to create smooth floor markings. It's so thin, you'll barely notice it's there.

		2" x 100'	3" x 100'	4" x 100'
Black/Yellow		SLH270	SLH370	SLH470

Black/White		SLH272	SLH372	SLH472
Green/White		SLH273	SLH373	SLH473

SafetyTac® Lean Hazard combines the eye-catching pattern of hazard tape with the ultra-low profile of SafetyTac® Lean. SafetyTac® Lean Hazard is available in 3 striped color combinations that allow you to draw attention to dangerous areas in your workplace. Like SafetyTac® Lean, this tape sits smoothly on your floors. It's also resistant to water and chemicals. Choose SafetyTac® Lean Hazard for moderate-traffic areas where you also need hazard alerts.

At a mere 0.015" thick, SafetyTac® Lean Hazard is the thinnest industrial-grade floor tape on the market.

Material	Hazard-striped PVC composite
Thickness	15 mil (0.015")
Edge	Flat
Adhesive	Reinforced clear acrylic
Resistance	Moderate industrial and vehicle traffic, forklifts and pallet jacks, heavy foot traffic, industrial scrubbers, water, many common chemicals
Application	Hand or optional applicator
Warranty	1 year limited

## SafetyTac® GRIP

The strength of SafetyTac® plus anti-slip properties.

SafetyTac® GRIP was created to outlast all other traction and non-slip tapes by combining SafetyTac®'s known impact resistance with an anti-slip surface and an aggressive adhesive. SafetyTac® GRIP comes in 5 colors and provides maximum durability and slip resistance, even in heavy traffic areas.

- Slip-resistant surface
- Resistant to chemicals
- Cleans easily
- Includes low-level reflective properties
- Aggressive adhesive system bonds to a wide variety of surfaces
- 1-year warranty

**SAFETYTAC®**

### SafetyTac® Floor and Tape Cleaner

Clean your floor tape or prep floors for floor tape installation with SafetyTac All-Natural Floor and Tape Cleaner. This product is ideal for any water-safe floor, is non-toxic, and leaves no residue.

- Non-toxic
- No oily residue
- Made in the USA
- Available as a concentrate or pre-mixed solution

PART NUMBER	WIDTH
ST-CLEAN-HALF	Pre-Mixed: Half Gallon Jug
ST-CLEAN-SPRAY	Pre-Mixed: 16 oz. Spray Bottle
ST-CLEAN-CON	Concentrate: 16 oz. Bottle- makes 4 gallons

# Labels for everything.™

LabelTac® printers make it incredibly easy to create your own custom, professional labels and signs right from any desktop or laptop computer. LabelTac® printers are widely used by industry leaders to create durable signage for safety and hazard communication, pipe marking, organization, vehicle decals, and more- *all while cutting costs by up to 75%.*

Free LIFETIME Warranty and Support | Free Shipping on most orders to US & Canada

Learn more at [labeltac.com](http://labeltac.com) or call us at 1-877-356-6584

# SafetyTac® Shapes

Keep pallets, machinery, and materials where they belong with floor marking shapes. SafetyTac® Shapes round out our SafetyTac® collection of products with specific, made-to-order elements that complete your floor layout.

- Durable, low profile PVC material - same material used in SafetyTac® Industrial Floor Tape
- Extremely powerful adhesive
- Peel & stick application
- Forklift, traffic, chemical, UV, water, wear-resistant
- 10 colors available

### Easy to Apply

Just peel off the backing and stick the tape to a clean, dry surface.

### Low Profile, Highly Resistant

Shapes sit smoothly on floor- won't cause snags or tripping. Resistant to all kinds of industrial equipment and traffic.

### Product Options

# Smart Stripe Tape™ Shapes

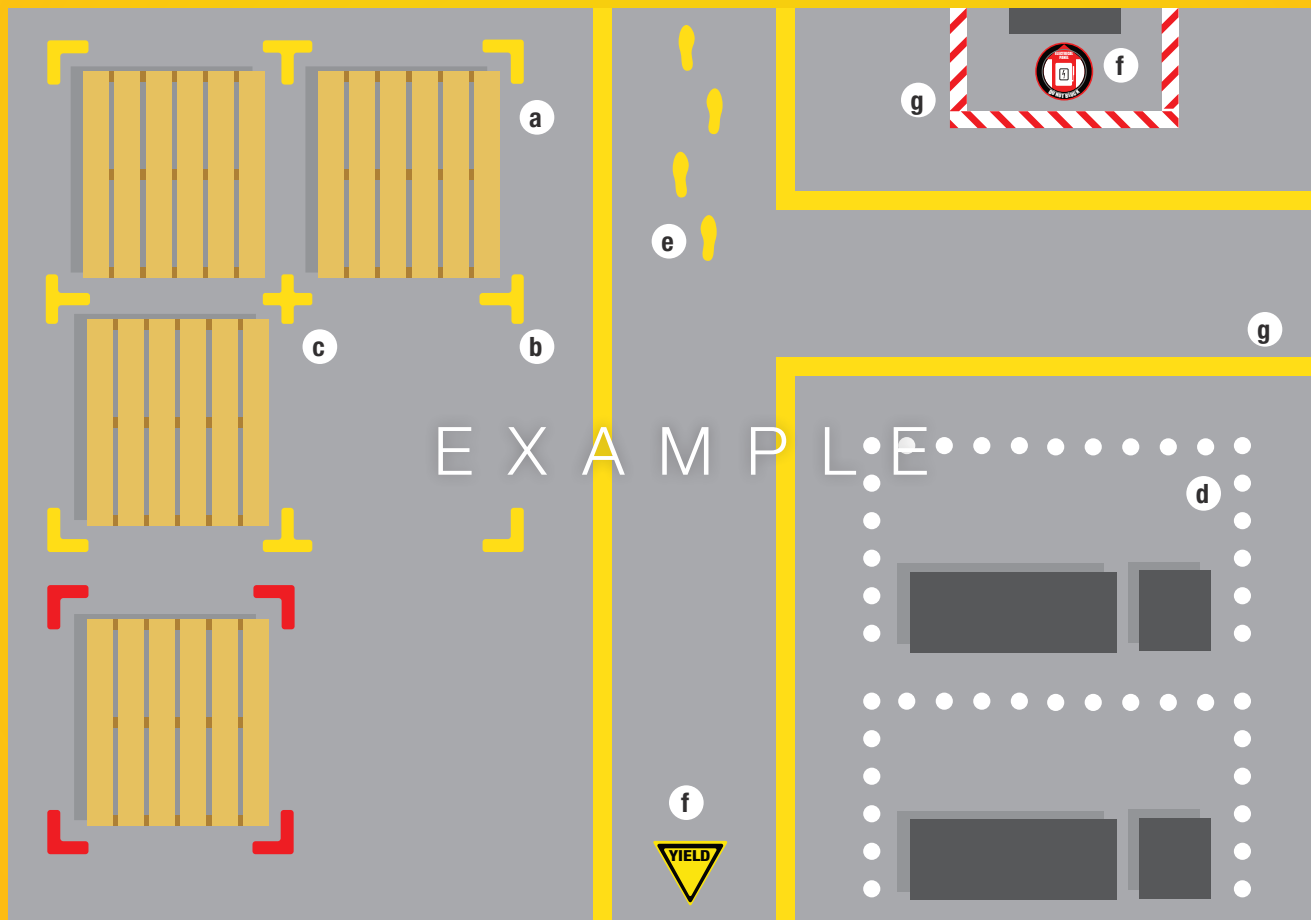

- Made with ultra-thin Smart Stripe Tape material
- Cost effective and durable - withstands forklift and heavy pedestrian traffic
- Peel & stick application
- Chemical, weather, water, and UV resistant
- Even usable on carpeted floors

## **i** How are Floor Marking Shapes used?

Floor marking shapes are used for a variety of purposes including around moveable items, for equipment alignment, and to create workstation boundaries.

E X A M P L E

**a**  **Corners**  
Most common floor marking shape; used to mark each of the corners of an object or create a cell

**b**  **T's**  
Used to join two or more cells into a grid

**c**  **X's**  
Used in the center of four cells to form a grid

**d**  **Dots**  
Typically used to mark boundaries. Dots can be easily replaced if one gets damaged.

**e**  **Footprints**  
Typically used to draw attention to an important pathway. Also used to mark proper stationary foot positions.

**f**  **Floor Signs**  
Best method for communicating messages on the floor where they are needed.

**g**  **Floor Tapes**  
Bold bright lines draw attention to traffic lanes and restricted areas.

# Red Tags

Red Tags are used for visual management of a workspace, clearly marking items that need to be moved or disposed of, assisting workplace organization and awareness. Simply mark the reason for tagging and place in your designated red tag holding area.

## A. 5S Red Tags

- Made from durable card stock
- Features all needed Red Tag information
- Dimensions: 6.25" H x 3" W
- Sturdy wire tie pre-installed on each tag
- 100 per Pack

PART #	DESCRIPTION
CSSREDTAG	5S Red Tags (100 pack)

## B. 5S Adhesive Red Tags

- Fully adhesive industrial grade label/sticker
- Features all needed Red Tag information
- Dimensions: 3" H x 5.75" W
- Easy peel-and-stick application
- 25 per Pack

PART #	DESCRIPTION
CSSADHTAG	5S Adhesive Red Tags (25 pack)

## C. 5S Red Tag Holders

- Red Tag Holders make it easy for everyone to find Red Tags
- Available as a single board, or in packs of 2 or 3
- Board Dimensions: 11" H x 14" W
- Includes dry erase marker, 2 magnets, and 50 Red Tags per board

PART #	DESCRIPTION
5SBOARD1	1 Red Tag Board with 50 Tags
5SBOARD2	2 Red Tag Boards with 100 Tags
5SBOARD3	3 Red Tag Boards with 150 Tags

## D. TPM Blue Tags

- A foundational tool for Total Productive Maintenance
- Communicates messages between project team and maintenance team
- Dimensions: 7" H x 3.5" W
- Sturdy wire tie pre-installed on each tag
- 100 per Pack

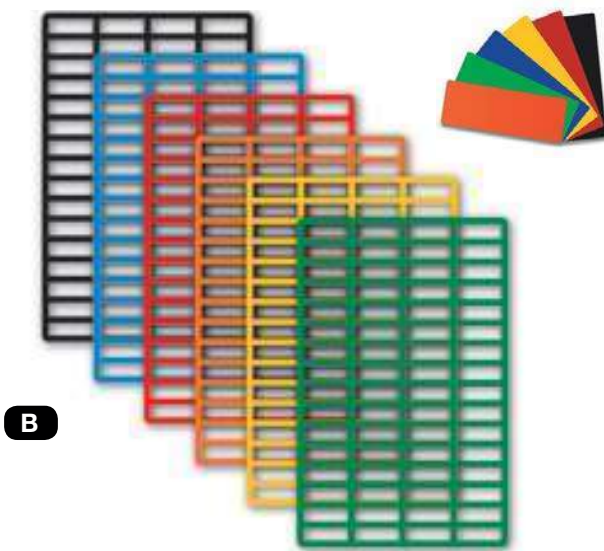

PART #	DESCRIPTION
TPMTAG	TPM Blue Tags (100 pack)

### A. Tool Outline Vinyl

- Create shadow boards for your tools and workplace items
- Trace your items, cut them out, then just peel and stick the shapes to a backing board or wall
- Each roll should be able to cover a 4' by 8' shadow board
- Roll dimensions: 15' L x 15" W

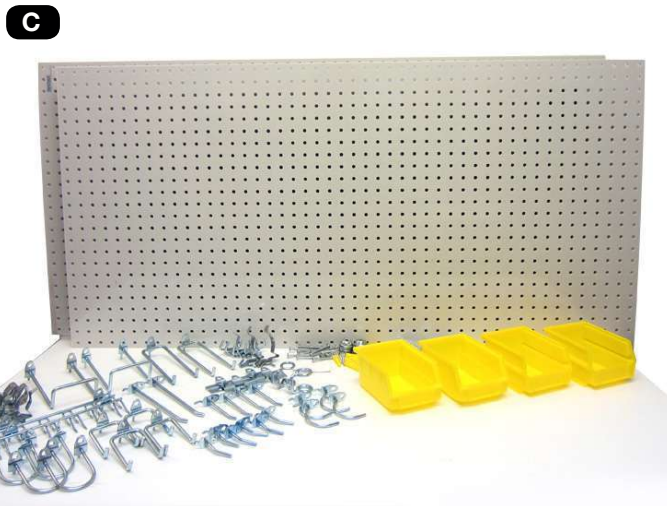

PART #	DESCRIPTION
TOV01	Tool Outline Vinyl - Yellow
TOV02	Tool Outline Vinyl - White
TOV03	Tool Outline Vinyl - Black
TOV04	Tool Outline Vinyl - Red
TOV05	Tool Outline Vinyl - Green
TOV06	Tool Outline Vinyl - Orange
TOV07	Tool Outline Vinyl - Blue
TOV08	Tool Outline Vinyl - Gray

### B. Quick Grids

- Quickly and easily create grids for shipping and receiving, schedules, presentations, project management, etc.
- Available in either Magnetic or Peel & Stick options
- Designed to be used on a whiteboard. (Whiteboard not included)
- Grid dimensions: 25.3" H x 15" W

PART #	DESCRIPTION
GRID01M	Magnetic Grids - Yellow (6 pack)
GRID03M	Magnetic Grids - Black (6 pack)
GRID04M	Magnetic Grids - Red (6 pack)
GRID05M	Magnetic Grids - Green (6 pack)
GRID06M	Magnetic Grids - Orange (6 pack)
GRID07M	Magnetic Grids - Blue (6 pack)
GRID01P	Peel & Stick Grids - Yellow (6 pack)
GRID03P	Peel & Stick Grids - Black (6 pack)
GRID04P	Peel & Stick Grids - Red (6 pack)
GRID05P	Peel & Stick Grids - Green (6 pack)
GRID06P	Peel & Stick Grids - Orange (6 pack)
GRID07P	Peel & Stick Grids - Blue (6 pack)
GRIDTAG01	Magnetic Tags - Yellow (6 pack)
GRIDTAG03	Magnetic Tags - Black (6 pack)
GRIDTAG04	Magnetic Tags - Red (6 pack)
GRIDTAG05	Magnetic Tags - Green (6 pack)
GRIDTAG06	Magnetic Tags - Orange (6 pack)
GRIDTAG07	Magnetic Tags - Blue (6 pack)

### C. Industrial Pegboard Kits

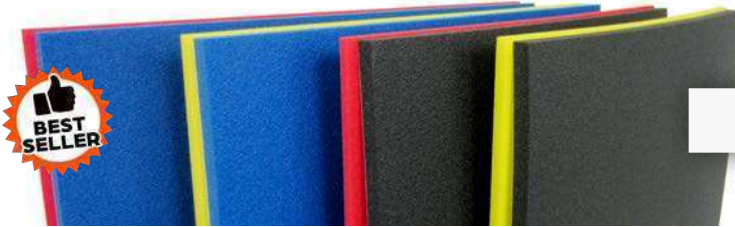

- Keep your workbenches and tool areas organized
- Durable and heavy duty
- Board dimensions: 24" H x 48" W x 1/4" D (16 sq ft)

PART #	DESCRIPTION
2PEGB	2-Board Kit: Includes 48 hooks, 4 bins, spacer kit
4PEGB	4-Board Kit: Includes 96 hooks, 8 bins, spacer kit

# Foam Tool Organizers

Prevent tools from getting lost or misplaced with a tool foam organizer. With toolbox foam, you can create visual differentiations so you can see where tools belong and what may be missing with just a glance.

## Foam Tool Kits

- Protect your tools and drawers with customizable foam tool kits
- 2-color system helps prevent missing tools by showing when a tool is not in its correct place
- Top sheet: 1/2" thickness, Bottom sheet: 1/4" thickness
- Constructed from 4lb/cubic ft. cross-link, closed cell foam
- Includes foam cutting knife

## **i** How to prepare Foam Tool Kits

### 1. Trace

Using a pencil or pen, trace the outline of tools or objects onto the white rear liner of the top sheet.

### 2. Cut

Using a fine bladed X-Acto knife or cutter, cut out the traced outlines from the top sheet. Remove the foam cutouts and discard.

### 3. Peel & Stick

Peel the white liner from the top sheet and adhere to the secondary/bottom sheet (if applicable).

### 4. Install

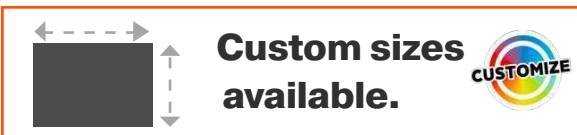

Place in your tool drawer and place the tools in their correct place. You're done!

### Thick Foam Tool Organizers

- Thick foam for organizing deep tool drawers, travel cases and more
- Constructed from 1.7lb/cubic ft. cross-link, closed cell foam
- Includes foam cutting knife

PART #	SIZE	THICKNESS	COLOR
TF221BK	2' x 2'	1"	Black
